Travel and Emergency Assistance Services

Emergencies can escalate quickly when you are traveling away from home. Something that is relatively straight forward when you are not traveling, like replacing prescription medication, can be a difficult task when you are dealing with local laws or language barriers.

Please note that due to occasional issues such as distance, location, or time, neither the Benefit Administrator nor its service providers can be responsible for the availability, use, cost, or results of any medical, legal, transportation, or other services.

What are Travel and Emergency Assistance Services, and how do I use these services when I need them?

Travel and Emergency Assistance Services provide assistance and referral services in case of an emergency while you are traveling away from home. The Benefit Administrator can connect you with the appropriate local emergency and assistance resources available, 24 hours a day, 365 days a year. Travel and Emergency Assistance Services provide assistance and referral only. You are responsible for the cost of any actual medical, legal, transportation, cash advance, or other services or goods provided.

To use the services, simply call the toll-free, 24-hour Benefit Administrator line at **1-800-992-6029**. **If you are outside the United States, call collect at 1-804-673-1675.**
