Document Preparation Services offered by Bank of America preferred DDP Technology Providers

- (A) \$60 per set of documents where the supplier prepares the documents on the Bank of America preferred technology provider system internally without the assistance of provider's outsourcing services.
- (B) \$125 per set of documents where Bank of America preferred technology provider prepares, assembles, and presents documents to the bank (under Bank of America advised L/Cs which were advised in a file format that is "readable" by the provider system and whereby all required documents can be submitted to the appropriate Bank of America examination center in a digital format to satisfy the L/C requirements)
- (C) \$175 per set of documents where Bank of America preferred technology provider prepares, assembles, and presents documents to the bank (under Bank of America advised L/Cs which were advised in a file format that is either NOT "readable" by the provider system OR whereby all required documents cannot be submitted to the appropriate Bank of America examination center in a digital format to satisfy the L/C requirements).

Note: additional fees may be incurred for software customization and training

Pricing Notes:

1. For products that do not have a standard pricing, full details of current bank fees and charges are available on application.
2. Any correspondent or beneficiary bank charges are not included in the transactional pricing quoted.
3. The Bank reserves the right to levy any charges / fees which are incurred from out-of-pocket expense.
4. Prices quoted exclude any relevant local tax applicable.
5. All transactions may subject to foreign currency conversion fee, where applicable, at prevailing market rates or per current local regulations.
6. The charges detailed in the schedule are subject to change without prior notice. Bank fees and charges may be varied, or new fees and charges introduced in the future.
