- Competition Risk: We operate in a highly competitive hyperlocal industry. We face intense competition across the markets we serve and if we are unable to compete effectively, our business, financial condition and results of operations would be adversely affected.
- Technology Risk: Uninterrupted access to the platform by our users, restaurant partners, merchant partners, brand partners and delivery partners at all times is essential to our business and also critical for our operations. Systems failures and resulting interruptions in the availability of our website, mobile application or platform could adversely affect our business. financial condition and results of operations.
- Risk related to the objects of the offer: Our funding requirements and proposed deployment of Net Proceeds of the Offer are based on management estimates and have not been independently appraised by a bank or a financial institution and if there are any delays or cost overruns, our business, financial condition and results of operations may be adversely affected.
- Offer structure Risk: The Offer for Sale as a percentage of the Offer is 60.28% (at cap price) and amounts to ₹68,284.27 million (at cap price) out of the total Offer of ₹113,274.27 million (at cap price). Our Company will not receive any proceeds from the Offer for Sale.
- Litigations Related Risk: Certain legal proceedings involving our Company, Subsidiaries and certain of our Directors are pending at different levels of adjudication before various courts, tribunals and authorities. In the event of adverse rulings in these proceedings or consequent levy of penalties, we may need to make payments or make provisions for future payments, and which may increase expenses and current or contingent liabilities
- Certain Selling Shareholders have sold the Equity Shares between the date of the Pre-filed DRHP until the date of this price band advertisement in the price range of ₹330 to ₹360 per Equity Share.
- Certain Selling Shareholders have sold the CCPS between the date of the Pre-filed DRHP until the date of this price band advertisement in the price range of ₹314 to ₹385 per CCPS (as adjusted for the conversion ratio).
- Since the Company has incurred loss in the Financial Year 2024, the basic and diluted EPS is negative and hence, the Price to Earnings ratio is not ascertainable.
- Weighted Average Return on Net Worth for Financial Year ended 2024, 2023 and 2022 is (35.39)%.
- Other Risks: If partners on our platform try to pass on increased operating costs to users, users may decrease the frequency with which they interact on our platform and order volumes on our platform may decline.
- The average cost of acquisition of Equity Shares for selling shareholders ranges from being negligible to ₹357.87 per Equity Share and the offer price at upper end of the price band is ₹390 per Equity Share.
- The seven Book Running Lead Managers associated with the Offer have handled 71 public issues in the past three Financial Years, out of which 16 issues closed below the issue price on the listing date:
