Sensitive Information

We do not typically collect special categories of Personal Data as defined in the Personal Data Protection Law (e.g., information related to racial or ethnic origin, political opinions, religious, intellectual or other beliefs, health data, biometrics or genetic data, credit data, criminal and security data, and data that indicates that one or both of the individual's parents are unknown) ("**Special Data**") in connection with the Services. Please do not send us any Special Data through the Services or otherwise, unless we specifically request this information from you or make a due diligence enquiry of you where the response necessitates you disclosing Special Data to us. In such a case, please ensure you notify us that you are providing Special Data.

We may receive Special Data from third party service providers and others in support of due diligence activities we undertake to satisfy various legal and regulatory requirements to which we are subject, such as negative news runs and enhanced due diligence reports performed related to anti-money laundering or know-your-customer requirements ("AML/KYC").

Event management and execution: At the time of registration, participants may tell us about disabilities that may require accommodation, or special needs related to religious beliefs, and/or health characteristics (e.g., dietary requirements). This

information will be used only to the extent necessary to facilitate any disability or special accommodations. Similarly, certain registration details may include Special Data (e.g., dietary restrictions may indicate a particular religious belief). Such Special Data will be used only to facilitate event participation.

Processing Activities and Legal Basis

We need to collect and process Personal Data in order to provide the requested services, or because we are legally required to do so. If we do not receive the information that we request, we may not be able to provide the requested services. The below table contains an indicative summary of our activities which require the processing of your Personal Data, and the associated legal basis. Unless otherwise stated, we collect Personal Data directly from the individual.

Your Personal Data will not be subsequently processed in a manner inconsistent with the Collection purpose, except for the following reasons:

- If the personal data is publicly available
- If not collecting the personal data would cause harm to the data subject or affect their vital interests
- If the collection is necessary to protect public health, public safety, public interest, or the life and/or health of a specific individual
- If the collected data is anonymized

If collection of the data is necessary to achieve the lawful interests of the controller or any other party, without prejudice to the rights or interests of the Personal Data Subject, and provided that the Personal Data is not Sensitive Personal Data

Third Party Services

This Privacy Notice does not address, and we are not responsible for, the privacy information or other practices of any third parties, including any third party operating any website or service to which the Services link. The inclusion of a link does not imply endorsement of the linked site or service by us or by our affiliates.

Security

We seek to use reasonable organizational, technical and administrative measures to protect Personal Data within our organization. Unfortunately, no data transmission or storage system can be guaranteed to be 100% secure. If you have reason to believe that your interaction with us is no longer secure, please immediately notify us in accordance with the “Contacting Us” section below.

Choices and Access

Receiving electronic communications from us

If you no longer wish to receive marketing-related emails from us in the future, you may opt-out by following the instructions in the relevant electronic communication or contacting your relationship manager.

We will try to comply with your request(s) as soon as reasonably practicable. Please note that if you opt-out of receiving marketing-related emails from us, we may still send you important administrative and Service or transaction-related messages, which you cannot opt out of.

Rights of individuals afforded to you under Personal Data Protect Law

You may have certain rights under the Personal Data Protection Law regarding your access to, information about, or the processing of your personal data. These rights include, subject to certain exceptions:

- The right to be informed, which means we tell you what personal data we process, why we process your personal data, and with which third parties we share your personal data;

- The right to access, which is your right to see the personal data that we have about you;
- The right to rectification, which is your right to have your personal data corrected or amended if it is incorrect;
- The right to erasure, which means you may request that we delete the personal data we have about you;
- The right to request the Destruction of your Personal Data held by Us as the Controller if legally permissible
- The right to data portability, which is your right to ask for a copy of your personal data in a commonly-used machine-readable format;
- The right to object to further processing of your personal data in a manner that is inconsistent with the primary purpose of its initial collection; and
- The right to withdraw your consent if the processing of your personal data is based on your consent

To learn more about how you can exercise your rights, please see the section below.

How individuals can access, change or suppress their Personal Data

If you would like to request to access, correct, update, suppress, restrict or delete Personal Data, object to or opt out of the processing of Personal Data, withdraw your consent (which will not affect the lawfulness of processing prior to the withdrawal) or if you would like to request to receive an electronic copy of your Personal Data for purposes of transmitting it to another company (to the extent the right to data portability is provided to you by applicable law), you may contact us by emailing: individualrightsrequests@bofa.com. We will respond to your request consistent with applicable law.

In your request, please make clear what Personal Data you would like to have changed, whether you would like to have the Personal Data suppressed from our database or otherwise let us know what limitations you would like to put on our use of the Personal Data. For your protection, we may only implement requests with respect to the Personal Data associated with the particular email address that you use to send us your request, and we may need to verify your identity before implementing your request. We will try to comply with your request as soon as reasonably practicable.

Please note that we may need to retain certain information for recordkeeping purposes and/or to complete any transactions that you began prior to requesting a change or deletion. There may also be residual information that will remain within our databases and other records, which will not be removed.

You may lodge a complaint with the Competent Authority where you have your habitual residence or place of work or where an alleged infringement of applicable data protection law occurs.

Retention Period

We will retain Personal Data for as long as needed or permitted in light of the purpose(s) for which it was obtained. The criteria used to determine our retention periods include: (i) the length of time we have an ongoing relationship with our client and provide the Services; (ii) whether there is a legal obligation to which we are subject; and (iii) whether retention is advisable in light of our legal position (such as in regard to applicable statutes of limitations, litigation or regulatory investigations).

The appropriate retention period is determined on a case-by-case basis and will depend upon the length of time we need to keep your Personal Data for the purpose(s) for which it was collected. For instance, we may need to retain your Personal Data to provide our client(s) with services, to comply with a legal obligation to which we are subject or in situations where retention is advisable in light of our legal position (such as in regard to applicable statutes of limitations, litigation or regulatory investigations). The retention period may vary between jurisdictions. For example, Personal Data processed for the purposes of meeting our legal and regulatory obligations related to the prevention of money laundering and terrorist financing (as described below) is retained for up to 20 years from the date it is received by the Bank or for up to 10 years from the end date of the client relationship, depending on the jurisdiction.

For example:

- We are required to retain certain Personal Data to deliver services to our clients at least until the termination of the relationship, and sometimes for a period of time thereafter;

- We preserve your Personal Data where it is reasonably necessary for reasons related to a legal claim or complaint, where we are subject to a regulatory investigation or where we may need to defend ourselves in legal proceedings or respond to a regulator or to respond to a valid legal request, such as a preservation order, subpoena or search warrant;
- We keep information collected using Cookies in accordance with the [Cookie Policy](#);

We are required to retain certain Personal Data in order to meet our legal and regulatory obligations related to the prevention of money laundering and terrorist financing, and this information is retained in accordance with applicable money laundering laws.

Use of Services by Minors

The Services are not directed to individuals under the age of eighteen (18), and we do not knowingly collect Personal Data from individuals under 18.

Individuals may submit Personal Data about their minor children or legal wards in relation to attendance at or participation in an event. Individual parents or guardians must have the legal authority to disclose such Personal Data to us and make decisions related to processing of such Personal Data in connection with the event. This Personal Data of minors will only be used for event registration and participation purposes.

Jurisdiction and Cross-Border Transfer

Personal Data may be stored and processed in any country where we have facilities or in which we engage service providers, including the United States. In certain circumstances, courts, law enforcement agencies, regulatory agencies or security authorities in those other countries may be entitled to access Personal Data.

Updates to This Privacy Notice

We may change this Privacy Notice from time to time. The “LAST UPDATED” legend at the top of this Privacy Notice indicates when this Privacy Notice was last revised. Any changes will become effective when we post the revised Privacy Notice. Use of the Services following these changes (or your continued provision of Personal Data to us) signifies acceptance of the revised Privacy Notice.
